Dear Service Partner

IMPORTANT SERVICE NOTICE

Spares Pricing Increase

With effect from **April 1st 2009**, Sharp will be increasing the cost of all spare parts by 15 %.

A decision that has been taken in light of a Euro based parts price increase and the weakening of the Pound against the Euro, the currency against which we purchase our spare parts.

A new price matrix will be available from April 1st that can be downloaded from our Technical website. All spares orders placed on the system prior to April 1st will be supplied and invoiced in line with the current price rank.
